

Position Description

Unit Nurse Manager

Mission

We walk with people across the generations to create together places to live, learn and thrive. We call out injustice and advocate for positive social change.

POSITION PURPOSE AND PRIMARY OBJECTIVES

Purpose

Provide sound clinical leadership to nursing and caring staff. You will be part of the management team at the Care Home and supports the Manager and will be required to deputise for the Manager / provide weekend cover.

As a registered nurse you are:

- Contractually responsible to the Facility Manager.
- Legally accountable for your actions.
- Legally accountable to work within defined scope of practice, which includes the responsibility for the direction of Enrolled Nurses and Care Workers.

Primary Objectives

- Provide sound clinical leadership to nursing and caring staff.
- Promote practice standards and behaviour consistent with professional and legislative expectations.
- Demonstrate sound people management, organisational and planning skills.
- Provide and supports others in providing comprehensive nursing assessment to develop, deliver and evaluate a plan of care that supports the lives and wellbeing of older people living in this residential service.

	<ul style="list-style-type: none"> • Ensure all activities reflect the goals that residents have identified based on what is important to them. • Support the nursing / caring teams to ensure residents needs are consistently planned, prioritised and delivered in a timely manner.
Undertake staff management	<ul style="list-style-type: none"> • Recruit and select the right people, aiming always for high performing and high-valued staff. • Ensure training of preceptors, effective orientation, and other practices to support staff retention. • Actively and effectively coordinate and participate in orientation planning, delivery, and completion. • Ensuring a 3-month review is conducted for all new staff. • Organise or have oversight as needed if delegated or managed by another person, required staffing levels, rostering, staff replacement and staff organization. • Coordinate a fair and equitable share of workload to primary nurses and care workers for allocated residents. • Planning and scheduling staff leave effectively if / as delegated to you. • Direct and delegate Enrolled Nurses (ENs), Care Workers, and others where applicable. • Demonstrate understanding and application of the principles of direction and delegation. • Ensure nursing students are adequately supported and mentored. • Arrange cover for staff to allow them to attend to key tasks when appropriate.
Manage staff performance	<ul style="list-style-type: none"> • Ongoing assessment & evaluation of ENs and Care Workers performance and skills around directed and delegated activities. • Follow up on any identified performance issue for individual Registered Nurses (RNs). • Liaise with RNs on any identified performance issue for ENs, Care Workers and other staff.

	<ul style="list-style-type: none"> • Provide advice, mentoring and support to RNs, ENs and Care Workers in a timely and constructive manner. • Resolve staff performance issues promptly and/or where necessary working with the Manager to resolve these. • Conduct formal annual appraisals for nursing / caring staff as delegated to do so. • Support RNs in effective and timely appraisal of other staff if delegated to them.
Ensure appropriate staff training and development is undertaken	<ul style="list-style-type: none"> • Actively drive professional development for staff appropriate to the service. • Implement annual staff training and individual staff learning development plans. • Monitor staff training to ensure staff achieve competencies, attend required training • Maintain accurate training records. • Recognise your staff members' abilities and potential. Support them to put learning into practice and support them on their career paths.
Lead the team and encourage its development	<ul style="list-style-type: none"> • Demonstrate leadership that inspires a sense of team and a positive service environment. • Foster a team culture based on open communication, quality and best practice-based care and continuous improvement. • Inspire and empower staff to meet and exceed expectations (within their professional boundaries) and encourage leadership in them. • Support and encourage commitment to the 'one team' philosophy and values, and to our service philosophy. • Recognise, value, celebrate, and reward individual and team efforts and successes.

Working Together

Our Work

- We are person centred in our organisation.
- We strive always to do better, to work hard and to the best of our ability.
- Each person knows they make a difference, and they feel valued because of this.

Our Organisation

- We are committed to delivering on the organisation direction and values.
- We are responsible and accountable for our actions and behaviours.
- We are committed to positive, proactive leadership.
- Each person is empowered to succeed, with the orientation and on-going support needed.
- Expectations are communicated clearly and understood by each team member, through team meetings, regular and timely feedback, and annual appraisals.

Our Team

- We share and learn from each other; are open and honest, support and cooperate with each other, and do the right thing at the right time.
- We hold each other accountable by giving and receiving constructive feedback.
- Our relationships are based on mutual respect, by treating each other as we wish to be treated. We are courteous and responsive.
- We affirm each person as a valued member of the team by giving each other positive reinforcement.

Values

Founded in our Christian faith we act with the values of integrity, respect, courage, manaaki and aroha.
